FINE PRINT - Championship trophies will be awarded as follows: 5 or more eligible drivers in class = trophies for 1st-2nd-3rd; 3 or 4 eligible drivers in class = trophies for 1st-2nd; 2 eligible drivers in class = trophy for 1st; 1 eligible driver in class = honorable mention. To be eligible, a driver must have scored points in at least half of this season's events (50% i.e. three rounds / 1.5 days.) When the class minimum (2 drivers) is not met, the competitor in a single participant class will only get 50 points in class vs. the full 100 if they competed against another person. In case of a "tie" for final points, the winner will be: the driver who has the higher number of first-place finishes, then the driver who scored points at the higher total number of events, then the driver who scored higher points at the earlier event by date.
